PLAN MANAGEMENT

your plan, your way

WHAT IS NDIS PLAN MANAGEMENT?

As an NDIS participant, Plan Management is an opportunity for you to engage an independent financial manager to provide practical support and advice regarding your funding.

Connect Plan Management is an experienced, independent provider that can help you manage your NDIS funding.

Plan Management is available to all NDIS participants – you just need to ask for it at your next planning meeting. If Plan Management is included in your NDIS plan, there is no cost to you to work with the Connect Plan team.

SO, WHO ARE WE?

"Don't like paperwork and finances? That's okay, we do!"

For many people, the work involved in managing your NDIS plan can be confusing, or takes too much valuable time. Connect Plan Management creates ease and support for anyone responsible for NDIS funding. We understand just how difficult starting an NDIS plan can be. We've helped many participants, parents and carers navigate this path.

> "We take care of your NDIS Plan Management, so that you spend your time taking care of yourself and your loved ones."

HOW WE CAN HELP YOU

- Advising you on how you can use your NDIS plan
- Keeping you up to date with the spending in your NDIS plan
- Being available to talk with you and meet with you
- Offering helpful tips if you're considering a private support worker
- Offering suggestions for potential providers (where we can)

We ensure you are getting the most from your NDIS funding and creating your plan - your way.

At Connect Plan Management we have a large enough team to provide excellent services, while we are still agile and small enough to offer individualised assistance to you.

"As a business owner, and a mum of four children, two with disabilities, I understand the difficulties of navigating life's obstacles. I joined the Connect Plan Management team as a client before I joined the team myself. The team is genuine and supportive in their efforts to assist NDIS Queensland recipients.

Connect Plan Management has gone out of their way to ensure real people, with experience are available to assist you.

I lead the Darling Downs region and I'm available to chat with you about how we can assist you to manage your plan, your way. Please call me to have a conversation about how we can support you. I am also able to meet with you."

HOW WE ARE DIFFERENT TO OTHER PLAN MANAGERS?

- We are completely independent and do not have any conflicts of interest
- We have deep experience in working with people with disability
- Founded by a Chartered Accountant with more than 10 years experience in the disability sector, who is also the volunteer Treasurer of a community based mental health service provider
- You can call and talk to us and we are happy to arrange a meeting with you
- We employ real people from our community who assist you when you need it.
- We are growing local networks to assist all Queenslanders, and have a genuine interest in supporting regional communities who find it difficult to access resources.
